

## Fundraising Events

Our events are special because of the relationships gained from these events and the monies raised to help support the growing healthcare needs of cancer patients in our region. The Cancer Outreach Foundation sponsors special events in support of our programs and services.

### Dr. Greg Eades Memorial Golf Tournament

Good times, great awards, and plentiful food abound in this annual event. More than 100 golfers participate in one of the most meaningful tournaments in the area. The event is normally held during the month of August at Clear Creek Golf Course.

### Russell H. Starnes Memorial Golf Tournament

Held annually in memory of Russell H. Starnes, this one day tournament is held at Glenrochie Country Club in Abingdon. Golfers enjoy food, good times and awards at this event held during the month of May.

### Gala of Hope

An elegant evening of entertainment and purpose. The Gala of Hope offers both a silent and live auction with items ranging from vacations to jewelry to art, donated by various individuals and businesses who support the Foundation.

### Awareness Bracelets

Through volunteer support, the Cancer Outreach Foundation offers beautiful hand-made awareness bracelets which are available in gold or silver and a choice of multi-color or single color beads. Each bead color represents a different type of cancer. Bracelets are available for a \$20.00 donation.

Various groups and organizations sponsor other fundraising events throughout the year with all proceeds given to the Foundation. For more information about these events and more, please call our office or visit our website for information.

## Your Support

Today, because of people like you, more patients have a far greater chance of winning their individual battles against cancer.

### Memorials and Honors

Celebrate the memory of a loved one or honor the accomplishments of a friend by making a donation to the Cancer Outreach Foundation.

You may send this gift directly to the Foundation at the address provided below.

The Cancer Outreach Foundation is accepting of monetary gifts, bequests and grants. Gifts of monies, stocks, securities and other assets may be made to the Foundation and are tax deductible. Grants from businesses and other organizations also provide needed support.

Serving Local Cancer Patients  
and Their Families  
in Southwest Virginia &  
Northeast Tennessee

# Living with Cancer

is challenging, even without the additional stress of covering the cost of prescriptions, home care, transportation or other essential services when insurance coverage or finances may be limited.

The Cancer Outreach Foundation was created to assist local cancer patients and their families by providing support when other options are not available.

Our growing range of services is designed to help people living with cancer feel the strength of a supportive and caring community.

## Our Mission

The Cancer Outreach Foundation is dedicated to improving the quality of life for cancer patients and their families. The Foundation's innovative programs benefit local residents in Southwest Virginia and Northeast Tennessee.

## Our Programs & Services

- To provide financial assistance with cancer patients' essential living expenses and transportation;
- To provide help in covering medication costs;
- To provide assistance for children who have cancer and/or a parent with cancer;
- To provide available options for uninsured cancer patients; and
- To provide emotional support and counseling for patients and family members

## You Too Can Volunteer

Anyone can be a volunteer for Cancer Outreach Foundation! The opportunities are endless: Elementary school students participate in the "Dove Project"; middle school students sponsor dances; high school students participate in various fundraisers. Each contribution does make a difference.

Individuals who wish to sponsor their own project-like a yard sale or a car wash-or choose to support Foundation sponsored events like the golf tournaments or the Gala of Hope are also advancing the purpose of the Foundation.

One only needs the passion to share their time and their energy to help cancer patients in Southwest Virginia and Northeast Tennessee with their medicines, transportation, counseling or other basic needs.
